Dear Member,

The Sailing Handbook Programme for the 2010/2011 Sailing Season is currently being compiled and we once again request your support and donation to enable the Club to award a trophy for as many Club races as possible.

Please note there is a provision to nominate for a 'Corporate Day' for which your company will receive acknowledgement and exposure to the Club's members. If interested in this opportunity and would like to know more regarding the benefits, please contact Hamish McHaffie on [yachttops@rfbyc.asn.au](mailto:yachttops@rfbyc.asn.au)

Please complete the form below and return the appropriate details to Carol Martin at [sailadmin@rfbyc.asn.au](mailto:sailadmin@rfbyc.asn.au).

Yours sincerely,

Ian Clarke  
Rear Commodore Sailing
